GUH Open House + Book Fair
Thursday, August 24 5PM-7PM
Morrison Library, UC Berkeley [map](#)

Come celebrate the start of the fifth year of our activities, including the launch of our new undergraduate program. Learn about an exciting international traveling studio on U.S.-Mexico borderlands, an undergraduate studio on art and performance at a landfill, a seminar on populism art and the city, and our new certificate programs. The Open House will also include a book fair with works authored or edited by GUH faculty. RSVP [here](#).

Multiplicity of Knowledges in Socially-engaged Artistic Practice

Cecilie Sachs Olsen examines *invisible Zürichs*, a two month-long curatorial developed by zURBS as part of a residency for independent artistic collectives at the theater Gessnerallee in Zurich in 2013. The endeavor created an urban laboratory that engaged the residents of Zurich in rethinking and rediscovering their city. Olsen's research is featured in GUH's publication *P[art]icipatory Urbanisms*. [More](#)

Fall 2017 Colloquium: City as Nexus

Global Urban Humanities Speaker Series-Open to the Public

The city is a social nexus. It binds people, things, forces, ideas together as a crossroads, grid, and network. But exactly how? And to what end? In this wide-ranging colloquium, speakers from a variety of disciplines will present research on the relational dynamic of cities. This 1-unit colloquium provides an introduction to the cross-disciplinary approaches offered in the new Graduate Certificate in Global Urban Humanities. The talks are scheduled to occur on Wednesdays from 12-1:30PM. Course registration information is available [here](#).

**Resilient by Design Challenge**

Thursday, June 22 12:30PM  
Spur 1544 Broadway Oakland, CA 94612 [map](#)

The bay is a major amenity for our region, but its extensiveness also makes it daunting to anticipate and respond to sea level rise. A new regional design challenge launching this summer, Resilient by Design, will bring together Bay Area communities and designers to envision the resilient waterfronts of our future. Get a sneak peak at the design brief and join a discussion of what’s to come before the challenge concludes in the spring of 2018. [More](#)
